## ISSUE:

The screenshot displays the Jira Software interface for a project named 'Signboards'. The top navigation bar includes the Jira logo, 'Jira Software', and various navigation links like 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps'. A search bar is located on the right. The left sidebar shows a list of filters: 'All issues', 'My open issues', 'Reported by me', 'Open issues', 'Done issues', 'Viewed recently', 'Resolved recently', and 'Updated recently'. The main content area shows the 'Issues' section for the 'Signboards' project. The issue title is 'boards display "drive carefully" near construction site, narrow and uneven roads.' The issue is assigned to 'Arsha Varshinee' and is in the 'Done' status. The description states: 'I receive the fastest route to the destination and navigation instructions like "Turn left", "Turn right" will be displayed. distance between the vehicles is detected by ultrasonic sensor and'. The right sidebar shows 'Pinned fields' with a note to click on the star icon next to a field label to start pinning. Below this, there are sections for 'Details' (Assignee, Reporter, Labels, Epic ...) and 'More fields' (Story Points, Original esti...). The bottom of the screen shows a Windows taskbar with various application icons and a system tray with the date and time (18:34 11-11-2022).
